## Custom designs to make your team stand out

Whether you're sweating it out in the outfield or hitting a six over cover this cricket gear delivers cool lightweight comfort during those long days in the field. We understand you can bowl them out faster when you're comfy in new cricket pants. We know you want your team to look like they're in the Big Bash League when you play at grass-roots level.

Simply choose to update your current cricket uniform, or completely spice up your club's image. It's easy when you customise our studio designs with your team colours and logos or go the whole hog and discuss a full design service with us.

# Studio designs - Cricket

We've made it easy for you. Choose a cricket studio design, then hop on over to our web-based design facility to fully customise with your own colours, logos, names and numbers. Unlimited use of colours and graphics allows you endless design options.

## Cricket fabrics

### Micromesh

An advanced lightweight mesh knit fabric built for optimal moisture transfer, fast drying and good sun protection.

- 120gsm & 165gsm
- 100% polyester
- hydrophilic treatment
- ideal for shirts, polo shirts, t-shirts, singlets and tank tops

### Taslon

This light weight woven fabric is moderately water repellent and delivers modest warmth and comfort.

- 140gsm
- 100% polyester
- outerwear with a soft single Jersey lining
- ideal for track jackets, track pants and shorts

### Interlock 250

This shiny, soft, silky fabric specially knitted for sublimation is both comfortable & robust.

- 250gsm
- 100% polyester
- excellent for high resolution images & rich colours
- ideal for pants, shorts and vests

### Trimesh

An open weave lightweight fabric with high stretch, constructed for optimal air flow. During high energy activities this fabric keeps the wearer cool and dry.

- 130gsm
- 100% polyester
- excellent for panelling
- ideal for panelling in polo shirts and shorts
